Ashland, Alabama 36251

RE: Rebuild Alabama Act (RAA) Annual Grant Program

Dear Mayor Fetner:

The application review and competitive selection process has been completed for The Rebuild Alabama Act \$15 Million Annual Grant Program. The application the City of Ashland submitted to resurface Tyson Road from Taylor Road to SR-9 and 5th Avenue South from SR-77 to SR-9 was evaluated and carefully considered for selection. I am pleased to inform you that your project was awarded up to \$350,000.00 in Rebuild Alabama funds with a local commitment of \$100,000.00.

There were 191 applications submitted for the RAA Annual Grant program, requesting approximately \$55 million in RAA funding. The City of Ashland should be commended for submitting a successful application from such a competitive field.

Please contact Bradley B. Lindsey, ALDOT Local Transportation Engineer, at (334) 242-6728 concerning the next steps in administering this project.

Congratulations and I look forward to your project's completion as we continue to rebuild Alabama's infrastructure.

Sincerely,

John R. Cooper
Transportation Director
