The Clay County Historical Society & Museum appreciates you and the \$1,500 you budget for us yearly. We rely on donations and occasional grants to stay open. We have been a 501C3 non-profit organization since August 2004. This year we have totally changed our rooms and displays in the museum and continue to be open on Saturdays, during special events, and to homeschoolers and fourth grade classes for tours. We hope to bring more tourists into our city and county. Please release that \$1,500 you budgeted for the museum. We will use it to help put a roof on our building. Thank you for your continued financial support. We also appreciate your allowing us to use the Wynn Building for special meetings without charging us rent. That is so generous of you!

Regards,
