Dear Mayor and Council,

On June 26, 2023 the Ashland Alcohol Review Committee met and discussed the application from Bottom's Up to open a Liquor Lounge Class 2 store located at the attached address. There were no issues from the committee and would like to recommend you consider issue an alcohol license to this business.

The committee adjourned with no further business. Thank you for your consideration of this matter.

Sincerely,

Joseph Stanford, Chairman

Alcohol Review Committee
